

# Castle Shannon Community Garden

We are currently seeking out any volunteers interested in the prospect of helping plant and/or maintain a garden along Library Road (Route 88) by the entrance of Busy Beaver.

This is an ideal opportunity for students in need of volunteer hours, any person wanting to make even a subtle difference in Castle Shannon, as well as avid gardeners and anyone in between.

Help of all shapes and sizes will be very appreciated.

Thank you and I hope to hear from you soon!

Opportunity provided by:
